

The way guide to “ACCEL Elektronika”

1. From highway Klaipeda – Vilnius turn to Kaunas at crossroad where crossing road is below highway. It is **first crossroad driving from Vilnius** and **third driving from Klaipeda**. Sign should say “Centras”.
2. You should appear in **Savanoriu** street. It should be VOLVO, PEUGEOT, SAAB and TOYOTA car shops on left and right just at entering the city.
3. Drive Savanoriu street straight forward about 1,5 km.
4. On the right side you will pass McDonalds.
5. Turn to the right at first crossroad to **Birzelio 23 str.** (First after McDoanlds).
6. Turn to the left at first crossroad to Statybininku str.
7. Drive straight forward till you reach the grey metal gate. (You should already see ACCEL sign while driving Statybininku str.
8. Call doorphone at the right of the gate if gate is closed.
9. When entering yard turn to the left and drive around the building to the aluminum door on the left of the building.
10. Call doorphone at the door.
11. On second floor ask administrator for required person.
